
NORTH SPORTSMAN'S CLUB

Hello!

Summer is here and things look drier for a change. The club is in good shape and always improving.

Junior Trap Perks

From now on junior trap shooters (ages 14-18) will get two free practice rounds at any open practice trap shooting session.

Fair Booth Volunteers Needed

Volunteers sought to man the Oswego County Federation of Sportsmen's Clubs booth at the county fair Wednesday August 9th to Sunday August 13th 10AM - 9PM each day.

This event is very important to the Federation and all sportsmen in our county. Maintaining its high profile is not only an important factor in keeping support from our county legislature, but also giving us a louder voice in affairs of interest to the sportsmen and women.

Please contact Bert Cowan with the dates and time you will be available: bcowan@twcny.rr.com
(315) 427-8316 (cell), (315) 387-6610 (home)

New member orientations are held on the 2nd and 4th Saturdays each month from 9 AM - Noon or by appointment. Please pass the word to any prospective members, or stop by at these times if you'd like a quick refresher to re-acquaint yourself with the latest club facilities.

NYCC News

The New York State Conservation Council has posted the latest issue of the *Grass Roots News* and it has some great topics ranging from trophy muskie fishing, to hummingbird habits, to deer population and invasive species management, fishing derby reports and turkey hunting.

The NYCC is also our best resource to track legislation affecting outdoorsmen and has many committees assigned to various bills as they progress in Albany. We are all encouraged to get informed to keep abreast of these topics and the NYCC makes this much easier. Check out the NYCC links to the right.

Sad News

Former North Sportsmen's President and active member Dick Merrill passed away Thursday June 8.

Donations may be made to Hospice of CNY, 990 7th North St., Liverpool, NY 13088 or to our club.

Dick's obituary can be found on the Newcomer Funeral Home's web site and an online link to it appears below.
