

NORTH SPORTSMAN'S CLUB

From the President

Hello to all,

As we go into summer, maintenance activities increase and member participation unfortunately does not. At our recent work day we had less than 10 members show up to work (our membership is over 350).

Dave Shaffer is investigating cost saving measures. At our last meeting there was a discussion of newsletter cost and whether members need a printed newsletter sent. Dave reports other clubs of comparable size get greater member participation. Discussion arose about dues increase and using funds to hire members to do work rather than forcing/tracking those who participate in helping. The general consensus is our club is a good deal considering price and facilities available.

Trap News:

Dave has proposed a 50 bird shoot next year. We have the required equipment and will plan to coordinate planning and communication with other clubs in the area. Jaime Humez reports we intend to enter the scholastic league and will have a 100 bird shoot.

From the President (continued)

We are considering the following programs:

Adult beginner firearms orientation class and women's firearms classes. Many members have firearms and have never had any instruction in their use.

Other clubs have revenue streams such as alcohol and food. We are a family club and do not allow alcohol.

A proposed family day / open house. Many people have no idea we exist, and many of our members are not aware of all we have to offer.

4H Rifle and Archery

Registration is open for rifle and archery online (see link at lower right)

Rifle is being held on Tuesday nights 6-8pm beginning July 11th.

Archery is being held from 5-7pm on Fridays, July 7th, 14th, 21st and August 11th and 18th.

High School Trap Report (Paul V. Moore High School)

Coach Jaime Humez reports on the recent state shoot :

Thank you for giving us the opportunity to work with your kids this spring, we have a great group of kids and parents.

For anyone interested we will be participating in the high school fall league and in Sept. we will be starting the process so we can also participate in the scholastic league. The scholastic league will give the kids more opportunities to compete in 100 bird shoots a few times year and also the opportunity to keep participating when they graduate high school and are in college. Once we find out more info we will pass it along to you.

We will still have open trap every other Monday for anyone interested.

The state shoot results can be found in the link below, (www.claytargetleaderboard.com).

There was a total of 637 kids participating. As a team we finished 30th out of 65. Here is also the breakdown by divisions
