
NORTH SPORTSMAN'S CLUB

From the President

A big thank you to all the members that have made the things listed below happen:

We have new archery coordinators: Joe Supple and Mike Dixon. Thanks to both for volunteering!

I have been researching back hoe and loader rental for berm maintenance. We have plans to put up gutters around the clubhouse.

Redhawks High School Trap:

Dave Shaffer reports 24 shooters, final shoot is 2 weeks after this Sunday, when trophies will be presented. Spring league will start shortly after. Trap houses are working. 4.5 pallets of birds in stock. Don't need to increase cost to shoot until next purchase of birds. A sign is put up to show that 200 and 300 yard ranges shut down when trap is underway to avoid showering shot onto shooters if they were to go down to change targets during trap shooting.

Treasurer's Report:

Walt Ellmaker presented budget. January was a good month for renewals. We have money to be able to do planned projects.

From the President (continued)

Membership Report:

Bob Emborski's membership totals presented. 251 members have renewed for 2023.

Range Report:

A metal rifle rest was purchased for range house : \$150; it is more sturdy than plastic ones.

Grounds Report:

Jerry Bunting reports kitchen counter, sink and plumbing upgrades. Jerry thanks members who helped with install. We have plans to refurb archery stands, replace solar lights on main sign, replace blades on John Deere mower, clean barn, put up 4x4 pole for archery flag, get keys made for new archery coordinators. Perhaps put LED lights in range house. Snowblower has been working great.

New Business:

Dave Shaffer has proposed getting camouflage hats embroidered. Start with a dozen hats to see how they sell. Motion made/passed to get a dozen. Window stickers may also be available. We can get current year on each sticker.

A question was asked at the last meeting about pistol range: can we draw from holster? There used to be a gate in the way but now we can draw from holster if desired.

If you want to move when shooting at the pistol range, be sure you are the only person on the line. If you shoot silhouettes, take them down when finished. Our club does allow them (some clubs do not).
