
NORTH SPORTSMAN'S CLUB

Let's get ready!

Looks like the weather is cooperating (knock on wood) and we can make plans for a normal season at the club-- or nearly so. Things are shaping up well, so get out and enjoy!

Club cleanup day

is Saturday May 15, with a rain date for Sunday May 16. Please consider coming if you can-- many hands make light work. We'll start at 9 AM. Lunch will be provided. Thanks!

Range rules reminder

(From Chief Range Safety Officer Walt Ellmaker)

It has come to my attention that there have been shotguns and 00 buckshot fired on the pistol range.

- NO centerfire rifles or shotguns are to be used on the pistol range. They are permitted only on the rifle range.

- NO buckshot or birdshot is allowed on either the rifle or pistol range. It damages the target frames.

- Any birdshot must be used on the trap field

- Buckshot is not allowed on any range or trap field

- Shotgun slugs are permitted on the rifle range only

Thank you for your cooperation.
