

# NORTH SPORTSMAN'S CLUB

## The Busy Season

is fast approaching and the club is in good shape. As President John Hudson discussed in July we have made many improvements and the club membership is strong.

However we failed to get a quorum of at least 10 members at the last meeting so we did not have an August meeting. It is understandable we all can get busy, and especially with this wet summer we want to take advantage of free time opportunities when they present themselves. We tend to get the same individuals attending meetings, but please consider attending your club meetings as we need participation to proceed with club business and get perspectives from new folks so we can continue to serve our membership.

## Election of Officers

Since this is an odd numbered year, in accordance with our bylaws we are scheduled to have an election for club officers. Nominations for officers will be opened at the October meeting. Sue Shaffer is retiring as Membership Coordinator and we are seeking her replacement. Please consider stepping up if you can.

**New member orientations** are held on the 2nd and 4th Saturdays each month at **10 AM sharp**. Please pass the word to any prospective members, or stop by if you'd like a quick refresher to re-acquaint yourself with the latest club facilities.
